

# **Alloway Township Adopt-A-Road Program**

In order to rid Alloway roads of litter and to improve the environment in the township, an anti-litter program known as the “Adopt-A-Road” program has been established in which volunteers (solo or group) may adopt a section of roadway in the township in order to pick up litter.

Requirements for this volunteer participation are as follows:

1. Each person/group shall conduct a litter pickup two to four times per year.
2. The section of roadway must be a township road, (at least one mile in length). Both sides must be cleaned up, thereby affecting two miles of roadway.
3. Each individual/group shall be made aware of safety requirements, (see below).
4. Vests, gloves, and trash bags will be supplied to each person/group participating in the volunteer program.
5. An “Adopt-A-Road” report form will be completed bi-annually and forwarded to the Clean Communities Coordinator.
6. Each clean-up must be brought to the Alloway Convenience Center.
7. Each person/group shall agree to the Release and Hold Harmless form within the Township of Alloway.
8. A road sign will be placed at each end of the adopted roadway indicating the name of the individuals or group name as volunteering in the “Adopt-A-Road” program.

## **Safety Requirements**

1. Pick up litter/recyclables on one side of the road at a time.
2. Be careful and pay attention when handling broken glass, metal, and liquids.
3. Avoid overexertion and heat problems.
4. Avoid peak traffic hours and extreme inclement weather conditions.
5. Be alert for bees, wasps, hornets, snakes, and other animals.
6. Since Alloway is a rural area, stay on the shoulder of the road, stay out of the roadway, and watch for oncoming traffic.
