

2020 ALLOWAY CLEAN COMMUNITIES PROGRAM

Cathy DeHart
49 South Greenwich Street
Alloway, NJ 08001

Welcome to Clean Communities of Alloway Township!

I am very excited to help you, and your group clean up the roads of Alloway! If you are new to this program, or have been doing this in the past we appreciate your help in keeping Alloway clean. Please read over the below rules and regulations in order to be prepared to conduct a road clean up.

Rules/regulations:

- The leader of each organization MUST return completed paperwork, including tax ID number, to receive consideration with your application. If you're a returning group, w-9 should be on file with township treasurer.
- Five-person minimum. The more the merrier, and have FUN!
- Be prepared to do a minimum of a 1-mile stretch, both sides for 2 miles total.
- 20% of your members should be Alloway Township residents. State program open to all who meet criteria.
- You will be required to take your trash/recyclables to the Alloway Convenience Center, (39 Thomas Road) for disposal: (Hours: Wednesday 1-4:30pm/ Saturday/Sunday 9am to 4:30 pm) A scale is available from Custodian. Once you check in, find a good place to sort and weigh you trash and recyclables. Please be considerate of others. A summary sheet is provided for you to complete and submit.
- Each participant must complete/sign Release Liability Form: parents/guardians to sign for minors. A Certificate of Insurance would be beneficial, but not required.
- Photos are welcome to show off your hard work! Please email pictures to cleancommunities@allowaytownship.com

Each organization will receive a mini- grant for their participation. (Amount to be determined)

In this packet, I have enclosed following items:

1. Release Liability Form
2. Summary Sheet form
3. Supply List

Thank you for reading all the rules and regulations. This is a fun and great learning program. Please let me know if there are other aspects of this program, including enforcement and/or education you are interested in finding out more information. Please contact me with any questions regarding Alloway Clean Communities.

Sincerely,

Cathy DeHart
