**ALLOWAY TOWNSHIP**

P.O. Box 425 / 49 South Greenwich Street

Alloway, New Jersey 08001

**We have received approval from the NJ Division of Fish and Wildlife to lower the water level in Alloway Lake beginning April 2, 2017, for Dock and Bulkhead repairs. The water level will be lowered about 2 feet from its normal level. We must begin to refill the lake on April 15, 2017.**

**Be aware that it may take several days to drain 2 feet of water out of the lake.**
