

**Alloway Township Environmental Commission  
Regular Monthly Meeting June 10, 2013**

**Attendees:** Joe Ingerson Mahar, Autumn Angelus, Marilyn Patterson, Anne Sullivan, Frank Ponti and Craig Kane

**Absent:** Chris Gilbert

Marilyn brought in the story board that she used for the Alloway School Ice Cream Social. It depicts some of the wildlife found in Alloway Township. It was decided to ask the Township to display it somewhere in the building for the next month. Marilyn and Autumn said that the display went over well with both children and adults.

Joe discussed the visit of the newest representative of the Littoral Society. He was visiting just to meet the various Environmental Commissions.

There were no minutes taken at the May Meeting.

We discussed whether the EC can get a copy of the DEP Dam Inspection Report. Anne will try to secure a copy.

The April Minutes were approved with changes.

Last month Anne applied for a grant from ANJEC. We did not receive the grant but learned a lot about the process and what types of things were approved.

Lou Joyce, County Planner also applied for a grant to create trails in Fenwick Grove Park. He was also turned down.

Joe talked about his work related visit to Mount Cumberland, also known as the Cumberland County Landfill. He was setting up pheromone traps for the Pepper weevil. He said he received a great welcome and a complete tour of the facility.

**Recreation Committee:** No minutes are available from the Recreation Committee.

**Ag. Committee:** No minutes available.

**Planning Board:** Bill Peacock, Rt. 635-456 Friesburg-Aldine Road wants a minor subdivision. He wants to break his 19.26 acre lot into two lots.

We reviewed 14 essays and posters to determine the winners of the Environmental Commission Award. Numbers 29 and 26 were the winners.

The meeting was adjourned.
