- Article reviewing the Southern Pine beetle. CK stated that it seems to be mostly inactive around us.

**Discussion-**

*Old business:*

- ERI - F.P. had an idea, which he shared with the group: There are 8 priority areas in the old version of the ERI, therefore we should focus on those priority areas for the next narratives. He suggested the Ponchantoula area for the next narrative. He further suggests that we define the importance of the area and justify acquisition, should the opportunity become available.
  - Discussion ensued, concluding with what we must decide on (tabled until July):
    - How to break up the township.
    - What are the priorities?
    - How to proceed with narratives.

*New business:*

- Reviewed the 8<sup>th</sup> grade posters - Congratulations to our winners: Max Fazen & Riley Fulmer!
- *Planning Board-*
  - No meeting/ no new business.

Meeting adjourned at 9:43pm
