Absent: Craig Kane, Debbie Dilks, Chris Gilbert, Frank Ponti

Meeting Called To Order at 7:37 pm

January minutes were approved as read.

Announcements/ Correspondence:

- Updated addresses for ANJEC
- We'd like to see an ANJEC training in S. Jersey - keep eyes open for one.

Discussion-

Old business:

- Went over Readington Twp. ordinance for construction & soil conservation. It may be a bit over the top for Alloway Twp., but the bones are good. JM contacted them and asked about enforcement. Readington Twp. EC has good, open communication with the enforcement person(s).
- Science award poster contest will be as scheduled and will be reviewed at the May meeting.
- ERI - waiting for CK additions and then we are ready to proceed to the next area. Potentially Paradise Lakes area?

New business:

- Light pollution & phragmites in the lake discussed.
- Roadside wildflowers to encourage pollinator success. Will also decrease mowing & cost to Twp.
- Invasive Japanese spirea - develops dense clumps if left un-checked.
- Annual report is due soon - JM is working on it.
- *Planning Board-*
 - April meeting cancelled

Meeting adjourned at 8:54pm
