

## **Minutes of the Alloway Township Environmental Commission October 11, 2021**

Attendees: Joe Mahar, Craig Kane, Frank Ponti, Renee Waters

Absent: Autumn Angelus, Chris Gilbert, Committeeman Warren Morgan,  
Debbie Dilks

Meeting called to order at 7:05pm.

Minutes of the June and July 2021 meetings were approved as submitted.

A discussion of the invasive spotted lantern fly followed concluding  
problems from the critter will grow before they get better.

Reports: Planning Board: The October meeting was cancelled. A minor  
subdivision, applicant Bradbury, was submitted to the minor subdivision  
subcommittee.

Old business: Renee will take our questions regarding the landfill to J.  
Acton.

The soil disturbance at Paradise Lake has been reported to the DEP and Soil  
Conservation District.

The soil disturbance at Camp Edge and Alloway-Aldine Roads has been  
reported to the Soil Conservation District. More information on both sites is  
anticipated at the next meeting from W. Morgan.

Announcements/correspondence: Frank shared the Boy Scouts plans to settle  
sexual abuse law suits may include selling their Alloway Township assets.

Meeting adjourned at 9:15pm.
