Committeeman Warren Morgan

Absent: Autumn Angelus, Chris Gilbert, Frank Ponti, Debbie Dilks
Meeting called to order at 7:05pm.

Minutes of the October 2021 meeting tabled.

No correspondence.

Reports: Planning Board: No new business on the agenda.

Old business:

The case of soil disturbance at a residence on Paradise Lake has been taken as far as the Commission can go.

Committeeman Morgan gave follow-up reports on the soil disturbance at Camp Edge and Alloway-Aldine Roads and activity on the Pierson property on Alloway Lake.

Renee met with J. Acton and reported Giordano, should they set up operations in Gloucester County, will absolutely not bring trash from there to Salem County, according to Acton. The report included much interesting information on the dump that included an invitation to tour the facility. We also learned the autumn view from the top of the landfill is beautiful.

Meeting adjourned at 8:30pm.
