Meeting called to order at 7:00pm.

Minutes of the November 2021 meeting were approved with a correction;  
Frank Ponti was absent.

Correspondence: A list of members up for re-appointment was provided by the Township Clerk who requested those members be asked if they were willing to continue to serve. The members up for re-appointment were Mahar, Ponte and Waters; all to be reported as willing to continue to serve on the Environmental Commission.

Reports: Planning Board: The December meeting was cancelled. A request was passed to the board clerk to include Mahar on the planning/zoning board correspondence list.

### Old business:

The new fence on the Alloway-Aldine Road farmland preserved property was discussed. Ponte made the point it is incongruous with agricultural use. Mahar will contact Jack Schultz, chairman of the township ag advisory committee regarding the fence.

Waters presented a report on the Gov Murphy's nominations to the Pineland Commission. The background of each appeared to commission members to be incongruous with the mission of the Pinelands Commission. Contact information to oppose the nominations was provided.

Meeting adjourned at 8:30pm.
