Announcements/ Correspondence: .

- NJ Land & Water Trust - approval of grant for Alloway Water Gardens.
- ANJEC Trainings Available.
- Joro Spiders from Japan, not dangerous/ may eat spotted lanternfly.

Discussion-

Old business:

- Paradise Lakes - RW reached out to Jennifer Moriarty, the land use manager for Southern NJ, has not heard back.
- Alloway Aldine Rd @ Camp Edge Rd.- same as above.
- Stream clearing - 150' buffer outlined in Twp. ordinance. Prior to clearing, they must submit to Planning Board. We will reach out to Zoning Officer to help avoid issues, create some awareness.
- Poison hemlock - mowed by road Dept & if we see it again, contact County Dept of Health.
- CK is still plugging away at the ERI (thanks Craig!).

New business:

- ANJEC grant possibilities available.
 - Lots of topics, areas, amounts.
 - JM to forward email with opportunities.
- Environmental Science Award topic- "In what ways may the NJ single use plastics ban affect Alloway & its environment?". We will provide the poster paper.
- *Planning Board* – no meeting, no new business.

Meeting adjourned at 8:16 PM.
