

Minutes of the Alloway Township Environmental Commission Meeting April 11, 2022

Attendees: Joe Mahar, Chris Gilbert, Debbie Dilks, Frank Ponti, Craig Kane.
Absent: Autumn Angelus, Renee Waters, Committeeman Warren Morgan

Meeting called to order at 7:15pm.

Minutes of the March meeting were not available we'll look at them next month.

Debbie will deliver the poster paper to the school and answer questions from Connie about our program.

Correspondence: A letter regarding a septic system repair on block 5 lot 13 was reviewed.

Planning Board: A minor subdivision for Donald Bell is scheduled for the next board meeting. Discussion centered around the current use of the property and need of a variance.

Two minor subdivisions were approved by the minor subdivision subcommittee.

Renee submitted an email to send to the NJDEP. It was reviewed, modified and all agreed it should then be sent from the EC to the DEP. The email concerns 50 Paradise Road, block 70 lots 2 and 3.

A grant for next year to control poison hemlock was discussed. Joe might be able to get info as to how many cases of poison hemlock poisoning are reported annually.

Meeting adjourned at 9:15pm.
