Discussion-

Old business:

- Getaway House (aka Postcard) discussion including the approval of the variance request and the name change of the company.
- FP mentioned that he heard that the boy scouts have not yet made up their minds regarding the purchase of the property.
- Still in need of revising the ERI and formatting corrections, awaiting these corrections from AA. Hoping to approve the final version soon.
- Should we have someone from the EC attend the Ag. Dev. Board meetings so that we can be “in the loop” with Agricultural development matters? This is in response to a suggestion from the SJ Land & Water Trust.

New business:

- 2025 Meeting Dates: 3/10, 4/7, 5/12, 6/9, 7/7, 8/11, 9/8, 10/6, 11/10, 12/8.
- Planning Board: meeting this Wed. 2/12.
 - Awaiting the official site plan from Getaway House (Post Card).
 - Priore minor subdivision to separate the commercial area and the residential home.
 - Tilton property application to build over the set-back line for the property line.
- Giordano once again applied to bring solid waste to the SCIA and to build a facility in Salem. There was a public meeting at SCIA on 1/29 where Renee presented. The next meeting will be on 3/31 at 6pm.
 - There is fear that there will be increased truck traffic and pollution throughout Alloway. In addition, it is likely to affect Salem County, long term, by making it less desirable after using the port for waste.

- A new trash facility in Salem City may be considered environmental injustice.
- 8th Grade Graduation Award: we'll come back next month to discuss topics.

Next meeting: March 10, 2025

Meeting adjourned at pm.
