

Minutes of the Alloway Township Environmental Commission Meeting February 9, 2026

Attendees: Debbie Dilks, Larry Massey, Craig Kane, Frank Ponti

Absent: Renee Waters, Chris Gilbert, Chuck Angelus

Meeting called to order at 7:10pm.

Minutes from the January 12, 2026 meeting reviewed and approved.

Received correspondence from PSE&G concerning the suite of maintenance activities that will or may be undertaken within their powerline right of ways.

Planning/Zoning Board will meet for reorganization business, no new applications.

Old Business:

Debbie to touch base with 8th grade teacher on preferred 8th grade essay contest topics:

- *Advantages and disadvantages of using farmland for solar farms.

- *Environmental impacts of AI farms.

Frank and Larry will attend an Ag Advisory Board meeting at their convenience.

Review of the Kirkwood Cohansey Aquifer Ordinance from Chuck by Randy and Sickles Assoc. indicates much more work needs to be done. We encourage him to persevere. Debbie will contact ANJEC to solicit help.

No New Business.

The meeting adjourned at 8:05pm.
