Member Kane advised that the Environmental Commission further had further discussion at its recent meeting regarding the “C1” buffer definition. Alloway Township doesn’t have any lands with C1 buffer, all are smaller. The New Jersey Department of Environmental Protection requires a 50’ buffer, Alloway’s is 75’. He advised the Commission briefly discussed the Pierson property and the 50’/75’ buffer. The Commission will further research.

Water testing at the lake was briefly discussed.

On motion by Member Reilly, seconded by Member K. Coleman, the meeting was adjourned at 7:16 PM. Unanimous voice vote.

Respectfully submitted,
Suzanne D. Pierce
Planning Board Secretary
