Agenda:

- Old Business

New Business:

Leak Repairs in Building – Clem reported that leak repairs are complete in the building and that all rooms are currently usable with the exception of the community room which still needs to have the floor waxed.

Old Business

Veterans Day - Margaret is planning the Veterans Day ceremony – 11:00 on 11-11-11.

[Action: Check with Margaret about plans for press release. Use this opportunity to advertise the opportunity to purchase additional bricks.](#)

Pennies – Pennies were collected from Committee members who had brought them. Clem will get them deposited.

Truth Bible – Clem reported that Truth Bible wants to hold a luncheon on Sunday, October 30. This is the raindate for the parade. Jim will check to see what time the parade would be held and whether this event would cause interference.

Veterans' Walkway - Doug suggested pulling the lights and flags from the Veterans' walkway during Halloween weekend so that they are not vandalized.

Sign – We would still like to get a sign erected in front of the building. Clem will check on the concrete sign that had been on the building to see whether that could be modified or re-hung.

Plaque – Still in progress.
