Notes from Meeting
September 8, 2011

Attendees Rex Cobb, Clem Jamison, Ken McKelvey, Ted Smigulec, Jim Whitt, Wayne Wright

Guests: Paul Pheasant

Agenda:

Jim Whitt opened the meeting at 6:30. Wayne led the Pledge of Allegiance.

New Business

Butterfly and Wildlife Festival - Marilyn Patterson requested signs for the Butterfly and Wildlife Festival this Saturday, the 10th. Rex Cobb took care of her request.

Veterans Walkway - Ted Smigulec reported that he had purchased and placed 14 solar lights along the edges of the Memorial walkway. There have been some questions about a missing brick and a date on a brick:

- Dates on Bill Leathern's brick - Margaret checked the brick in the walkway and the dates are 1931 to 1993 AND the form states 1931 to 1993 for Bill Leathern. This will be corrected to 1939 instead of 1993 as requested.
- Missing Brick for Rich Senski - The application is missing but the cancelled check is in hand. A brick will be ordered and installed.

Jim Whitt stated that a plea for new brick application needs to go out. He also stated that Margaret should be contacted concerning the annual Veteran's Day event at the Memorial since she has volunteered to plan it.

Meeting Minutes - Mary Lou requested our past minutes so they could be posted on the Township website.

Truth Bible - Clem stated that everything is O.K. with Truth Bible and that they had submitted a \$200.00 donation for facility use during their Daily Vacation Bible School.

Old Business

Pennies – Pennies were collected from Committee members who had brought them.

Other New Business

Rex said that the new elevator would arrive soon and should be ready by the Fall elections.

Next Meeting 10-11-11
