Guest Dave Bailey presented the committee with an ideal to have a Christmas Light contest. The Economic development committee was disbanded, they in the past use to put on the concert at around Christmas.

The attached shows a rough outline of how this would be set up. Dave said he would be willing to work with the committee on the project. It is asked that the committee look over this attachment, and bring your comments to the October meeting as a vote will be taken at that time to see if we want to go with this. Everyone that was in attendance agreed that this is a good ideal.

Jim Whitt will contact Margaret to see if she would do a program for Veterans day this year,as she has done it in the past with great success, it was believed we always did it on a Sunday. So with Veterans day on Monday 11th, it was thought that it would be held on Sunday Nov 10th at 7 am.

Walt Williams has been in contact with Clem & Jim about the sign we were going to have placed on the front lawn to show what the building is. This will carry .

It was always suggested that a notice should be placed again in the local papers for "bricks" for the walkway.

Permission was granted to the Ruritan to place signs up for the upcoming "clay shoot" and "chicken pot pie" sale.
