Minutes from the previous meeting were approved by motion, all were in favor.

Ben gave an update on the sign, it should be ready for inspection and pick by the end of this week. The sign will be stored at the public works garage, until some time in April for installation. RCL construction has volunteered to dig the post holes when the time comes.

Ted is looking into types of solar lights to illuminate the sign at night, either hanging down or facing up. Also was discussed and will be discussed more is that some type of border be in place around the sign for ease of mowing.

Ben also gave an update of the purchase of 10 (8') tables status, he has located several places that have them, but they will not accept a purchase order from townships. Myrle will look into a credit card that the township could open up to purchase these. Also Charles will look into the supplier that the county jail gets their equipment from to see if they would accept a purchase order. More discussion will take place at the April 10th meeting.

Chris was able to get a list of all the veterans in the township, so that the committee can contact them about bricks. But first Jim will get the list of bricks from Doug Chapman of the bricks already installed to check against the newly acquired list.

Margaret is all set for the Memorial Day ceremony as far as the booklet is concerned. She also has sold a few bricks that need to be given to Chic's block so that they can be ready to install on Memorial Day.

Clem had brought up that a few people had said they think the gazebo needs painting. This had been painted awhile ago by the (now defunct) business association of Alloway. The committee will ask around if any civic groups, girl scouts, boy scouts etc may be interested in painting the gazebo. The township would supply the paint. This will also be discussed at the April meeting.

Pennies were collected and placed in the history room.

No other business at hand.

Motion made to adjourn at 6:57 pm

Next meeting April 10th 2014

Respectfully submitted
