The township committee granted permission to the Ruritan club to hang several plaques in the hall. They will be handed over to Ken McKelvey by Jim Whitt to hang.

Ranch Hope has volunteered to paint the gazebo, the township will supply the paint/etc.

The memorial day program went well, thanks to all.

Ken Mckelvey & Ben Thompson will get together to discuss placement of pavers around the newly installed township sign, this would be to protect the lighting and eliminate trimming around the base.

Doug Chapman was elected to be the "official " keeper of the brick tool, and installer of new bricks.

List of veterans names will be exchanged by Jim Whitt, Margaret Matthew, and Doug Chapman.

Applications to obtain bricks will be placed in the post office and the town hall with the application to rent the hall.

A discussion was held about the resent placement of a "memorial bench" in the nature club's butterfly garden. Although the original plans show a bench, there was no mention of it being a "memorial " bench.

As this has not been turned over to the steering committee, the township board will handle this issue.

The July & August meetings will be cancelled , and the next meeting will be on September 11th 2014.

No other business at hand , the meeting was adjourned at 7:11 pm

Respectfully submitted
Acting secretery
